This project is powered by nothing but my own passion and completely free. However, it is impossible to finish all the works by my own.
这项工程完全由我个人用爱发电。然而，仅凭我个人不可能完成这巨大量的工作。

If you would like to offer any kind of help, please contact through any one of github, bilibili (Talirian, UID 409790680), netease (Talirian), email (magolor@qq.com), or AoH2 forum (Magolor). I would really appreciate it if you could join us.

Especially, painters (for leader portraits, flags, fan-fiction paintings, advertisement, etc.), and balancers (to determine the properties for different civilizations and different regions to design a balanced game experience for civilizations) are in urgent need. Also, I decided to give away AoH2 game on steam (or anything similar you would like) as a small present for the volunteers.
特别地，我们亟需画师（画领袖肖像、国旗、同人插画、宣传，等）和平衡师（设计区域和文明数据，平衡各个文明的游戏体验）。将会在steam上赠送文明时代2游戏本体（或您想要的任何类似物品），作为小小的回赠礼物。

Also, feel free to contact me if you have any question, or something that I could possibly help you.
